Please provide your comments on the following —

- What does VR do to help people with disabilities find and keep jobs in the community? What can VR do better?
- How does VR help people with disabilities to become employed? Is there something VR does that gets in the way of people with disabilities getting hired?
- Are you being heard by VR? What can the State Rehabilitation Council do to help?

Your feedback is also welcome via email to dvr.m.srcchair@dhhs.nc.gov
or by toll-free phone at **1-800-689-9090**

Sign-language interpreters will be present. If other accommodations are needed, please contact kim.schmidt@dhhs.nc.gov or 919-855-3533 by March 12, 2012.
